16(23): Proposed by Cllr Maria Dollard :

“That the Municipal District prepare and present a report to update the members on how the Municipal District is managing public areas for grass cutting. The report should be

based on their obligations as the first Council in Ireland to officially partner with the All Ireland Pollinator Plan."

17(23); Proposed by Cllr David Fitzgerald:

"Kilkenny MDC to install and provide gullies to receive water from all down pipes which is currently discharging rainwater on to footpaths on all City centre streets to address public liability, health and safety issues arising from this practice."

18(23): Proposed by Cllr David Fitzgerald:

"Kilkenny MDC to prepare a report on Shee Alms House to include a review of possible future uses for this important historic building. The future uses must include providing access to the general public on an on-going basis."

19 (23): Proposed by Cllr John Coonan:

"That an up to date position on the refurbishment and restoration of Kennyswell/St. Canice's Well be given including a full report to the elected members of Kilkenny City Municipal District."

20 (23): Proposed by Cllr Eugene McGuinness

To ask Kilkenny County Council to immediately introduce a "Tree Management Plan/Policy" for the City and County to ensure proper planting and pruning of trees in areas within the Councils ownership and should also form part of our "planning policy" going forward. This policy will allow for a more pro-active and systematic approach to tree management, resulting in a healthier tree population and creating a greener, more sustainable environment for resident and visitors to our County."
